*Happy 7th and 3rd years Anniversaries*

His Excellency,  
**Bola Ahmed Tinubu, GCFR**  
President and Commander-in-Chief of the  
Armed Forces of the Federal Republic of Nigeria

His Excellency  
**Engr. Abdullahi  
A. Sule**  
Governor, Nasarawa State

On behalf of the Board, Management and staff of the Nasarawa State Education Trust Fund (NASETFUND), I extend my heartfelt felicitations to **His Excellency, President Bola Ahmed Tinubu, GCFR** on his 3rd year anniversary, and our Leader and Executive Governor of Nasarawa State, His Excellency **Engr Abdullahi A. Sule, CON, FNSE, FNIPR** on his 7th year anniversary.

I equally salute the audacity of leadership and the politics of results as we mark two defining milestones of President Tinubu's 3rd year in office of steering the Renewed Hope Agenda, and Our Principal, Governor Abdullahi Sule's 7th year in office of transformative and redefining governance in Nasarawa State.

Your Excellencies, history will record that, the state under your watch, politics was not reduced to rhetoric but elevated to measurable delivery. Together, you have forged a political synergy that places education, human capital, and infrastructure at the heart of governance — proving that democ-

racy can indeed work for the common man.

In direct alignment with your Renewed Hope Agenda and the Sule Administration's drive for educational excellence, NASETFUND has rolled out its 2025 and 2026 Intervention Projects across all the three senatorial zones to further cement public confidence, and some of them includes:

- Classroom & Lecture Infrastructure: Construction and rehabilitation of classroom blocks, lecture theatres, and office complexes to decongest learning spaces and dignify the teaching environment.

- Teacher Development: Recruitment and training support for teachers Project, with NASETFUND providing funding and technical backing to improve teacher quality to mentioned but a few.

As we celebrate this 7th anniversary, NASETFUND pledges total fidelity to your political vision — translating campaign promises into classrooms, manifestos into manpower, and

governance into generational impact. We remain the strategic vehicle through which Your Excellencies' commitment to education becomes legacy.

Congratulations, Your Excellencies. The politics of performance is alive in Nasarawa, and the people are witnesses.

Signed:  
**Abubakar Idris Adamu,**  
Executive Secretary,
